

TOWN OF LOOMIS

FAÇADE IMPROVEMENT PROGRAM

The Town of Loomis has set aside \$50,000 into a Façade Improvement Grant Program to encourage investment and upgrades to commercial properties in the Downtown Master Plan area. There are two components to the program – a no-match grant of up to \$4,000 for small-scale improvements and a 50/50 matching grant program for larger projects (maximum grant amount is \$8,000, or as determined by the Town Council for high-priority projects).

The Town Manager has authority to award grants up to \$4,000; matching grants must be approved by the Town Council. Grants are awarded upon completion of the project. Arrangements can be made for partial awards upon completion of specific project phases, if applicable. Applicants approved for funding through either program will contract their own labor for construction and installation.

Matching grant projects may also be eligible for Façade Improvement Design Assistance, upon Town Manager recommendation and Council approval. This assistance is completely free to eligible applicants and is available on a “first come, first served” basis. Design assistance will include 5–10 hours of architectural design services. The architect will meet with property and business owners to discuss objectives for the building’s façade. Final results will include design drawings and an estimate of project cost.

Applications for all projects will be reviewed by the Town Manager. Projects requiring matching funds will receive final approval from the Town Council. The following factors will be considered in selecting projects for matching funding:

- The degree of visible and substantial improvement on the property
- The potential for positive impact on the commercial corridor
- Maximizing private investment (ratio of public funds to private funds)
