Re: Name consideration for stage located in Blue Anchor Park

Chamber Board of Directors would like to ask the Town Council of Loomis if they would consider naming the stage located at the end of Walnut Street and in the South East corner of Blue Anchor Park after Peter Oakes, who was the principal contributor and driver behind its creation.

Peter Oakes is a fifth generation Loomis resident who had a vision this stage could be well used in the years to come as a community stage that could accommodate expos, concerts and community plays. Chamber of Commerce believes Peter Oakes vision and efforts to build this stage with private money and volunteer work is exemplary of the spirit of Loomis. We believe that this stage is the start of a great tradition for bringing entertainment and added appreciation for our unique town.

If this is acceptable to the Town Council and Town staff, the Chamber of Commerce would also like to ask if a member of the Loomis Town Council would assist in the announcement of the name dedication during our first annual Blues, Burgers and Brew concert on May 24th, 2014

Best Regards,

Charlotte Langston
