Mission Statement. The Town of Loomis is committed to preserving: a quality of life in which families can grow and enjoy the small town atmosphere; a town in which there are concerns for all segments of society, including businesses and residents; a town that encourages the participation of all of its citizens in civic and community activities; a council and town staff that responds courteously and respectfully to the concerns and needs of the town's residents; and a plan that calls for slow, quality growth while preserving the financial integrity of the town.
