

STAFF REPORT

TOWN COUNCIL MEETING OF MARCH 13, 2012

CONSENT ITEM

To: Town Council

From: Brian Fragio, Director of Public Works/Town Engineer

Subject: Bench Donations for the Blue Anchor Park

Date: February 29, 2012

RECOMMENDATION:

Contact the people on the donation list and begin the process of ordering benches for installation.

ISSUE AND DISCUSSION:

At the January 10, 2012 Town Council meeting, Council directed staff to discuss future ordering of Granite Benches with Scott Paris. Mr. Paris informed staff that purchasing granite benches in America would be very expensive. Staff did some research and found the cheapest granite bench to match existing was roughly \$600. Staff also looked into plastic and metal benches (attached) and the prices were higher than what is proposed. Mr. Paris bench styles are also limited. He can only get the granite bench in two dimensions, a 63" long by 18" high at \$300 or a 71" long by 18" high at \$400. This includes shipping costs. As mentioned last meeting, the personal plaque would be around \$135.

When benches are received, staff plans to focus installation along the Downtown Master Plan Corridor of Taylor Road and Horseshoe Bar Road.

CEQA:

Bench installation is exempt under Section 15301 (c)(Class 1), Existing Facilities" of the guidelines.

FINANCIAL AND/OR POLICY IMPLICATIONS:

There is no materials cost to the Town for the donated benches. Public Works staff will be installing the benches. Staff's labor will come from the Gas Tax Account and General Reserve Account.

Geres Granite Bench

-> Department: **Garden Furniture (show all categories in department)**
->Category: **Granite Bench Seats (show summary of all items in category)**

This high quality bench seat has arm rests and a back rest setting it above many similar benches. Cut from solid granite its highly polished finish accentuates the smoothed, curved lines. It makes a beautiful place to relax on a sunny day and view your garden garden or could equally be an impressive addition to a conservatory.

Dimensions:
Length 180cm (71").

Price ~~£399.00~~ **out of stock** including mainland UK delivery.

Approximate Weight: 320kg.

Product Code: GT018.

Handwritten note: \$626 US

Buy 1 buy

Free mainland UK delivery on all orders over £75.

Strawberry barrels made from recycled oak barrels are available in our barrel planters section.

Concrete Bench with Back | 6' Length

A Bench Built to Last

Basic contemporary concrete bench with back rest and concaved seating offers a dependable place to rest and will be sure to withstand years of weathering and stand up against corrosion. Constructed with steel rebar reinforced concrete, this bench is built to meet and exceed industry standards.

Dimensions: 72"L x 22"W x 32"H

Choose from the many different colors and finishes shown below. Benches must be placed on a flat surface such as concrete, in order to protect against sinking or other unwanted movements.

Model CPBC | LSB Dove Gray
