

TOWN COUNCIL COMMITTEE REPORTS FOR AUGUST

Councilmember Robert Black:

Placer County Air Pollution Control District – I met with the person handling the recruiting, to replace the retiring Director of the Air Pollution District. They are putting together the package and hope to put it out to possible replacements soon.

School Liaison – The schools have been out for the summer, and I haven't met with the Grammar School or High School superintendents.

Business Liaison – I will be meeting on the 5th of August with the Chamber of Commerce Economic Development Committee, incentive program, and review the business needs and challenges of the Town's businesses.

Councilmember Miguel Ucovich

LAFCO – Approved Northstar Community District to annex certain land so they can provide water service. Updated the status of the CFA for the Olympic Village. Submitted Commissioner Kirby's name for the CALAFCO Board of Directors.
