

Treasurer's Report

February 8, 2010

TO: Honorable Mayor and Town Council
FROM: Roger Carroll, Treasurer/Finance Officer
DATE: February 1, 2011
RE: Monthly Treasurer's Report

RECOMMENDED ACTION:

Receive and file.

ISSUE STATEMENT AND DISCUSSION:

California Government Code and Town Municipal Code require monthly Treasurer's reports. The reports attached are as follows:

- Investment Policy Compliance Report - lists the types of investments allowable by the State and the Town and whether our investments comply.
- Quality Analysis Report - groups the investments by Moody Rating Group.
- Transaction Ledger Report – shows the purchases, sales, interest payments and redemptions during the report period.

Other Information

COMPLIANCE WITH INVESTMENT POLICY:

The Town is in compliance with its investment policy. The Lehman Brothers bonds have been downgraded to below investment level. The Town's investment policy does not require immediate liquidation of such bonds, but allows some discretion. As these bonds went suddenly from AA investment grade to below investment grade the day that Lehman Brother's declared bankruptcy, the majority of the resale value was gone before markets opened. Union bank is currently reporting the value of the \$500,000 par value bonds at \$120,625, but conservative estimates report that at liquidation in bankruptcy court, the bonds will return between \$150,000 at the low end and \$250,000 at the high end. The Treasurer recommends waiting for the bankruptcy proceedings.

Other Information

Benchmarks as of January 31, 2011:

Federal Lending Rate: 0.25%
 Two Year T-Bill Rate: 0.56%
 LAIF daily Rate 0.47%

Town of Loomis Weighted Average Rate, excluding LAIF investments: 3.19%
 Average Maturity is 3.09 years.

Strategy

The Treasurer's current practice is:

- Sell bonds with higher interest rates to capture the market gain before it evaporates, but only if replacement earnings plus the market gain exceed the current projected earnings.
- Approximate a "barbell" strategy by investing in higher earning investments in the four to five year maturity range, and shorter term investments to be in position for as rates start to climb.

POLICY AND/OR FINANCIAL IMPLICATIONS:

None.
