SELECT ROCKLIN DEVELOPMENT PROJECTS UPDATE

ISSUE

The City of Rocklin has a number of development projects moving along in the area along Sierra College Blvd and on Del Mar Street that could impact Loomis residents, roads, and the general quality of the Loomis community.

RECOMMENDATION

Receive and File;

OR

Review development information and direct the Council Borders Sub-committee (Mayor Liss and Council Member Scherer) as to any actions the Council would like the Committee and/or Special Legal Counsel and staff to take.

CEQA

There are no CEQA issues associated with addressing the CEQA issues of another agency.

MONEY

Costs for Special Legal Council are running about \$159,036 since June 2007. Staff or Town Attorney time has not been tracked for work on Rocklin projects. It is unknown how much more legal and/or staff costs might be involved. At the July 09 Council meeting staff noted that all project impacts being litigated could save over \$2.5 million dollars in various impacts, specifically traffic, if the court finds in favor of Loomis.

ACTIVITY

The focus in August has been on the settlement agreement for Rocklin Crossing project.
