

STAFF REPORT

TOWN COUNCIL MEETING OF APRIL 12, 2016

To: Town Council

From: Public Works Director

Subject: Execute Construction Contract for the Intersection Improvements at Taylor Road and Sierra College Boulevard.

Date: April 12, 2016

RECOMMENDATION

Adopt resolution awarding Construction Contract to Western Engineering and authorizing the Town Manager to Execute a Contract acceptable to the Town for providing such Construction Services in an amount not to exceed \$235,000.

DISCUSSION:

The Public Works Department prepared bid documents to add a second left turn lane on southbound Taylor Road onto Sierra College Boulevard. This project will also fill the median with stamped concrete so that it will no longer trap water. Also included in this work is a new signal arm and pole. This is required to extend the left turn light so that it is over the left turn lanes.

The project was advertised on the Town's website and the Loomis News from February 25 thru March 10. Two Contractors provided complete and qualifying bids for this work. Western Engineering for \$231,649.50 and Gabe Mendez Inc. for \$248,485.60. Both bids were within 10% of the engineer's estimate of \$235,000 for this work.

CEQA

A notice of Categorical Exemption was filed on February 11, 2016.

FINANCIAL IMPLICATIONS

Funding for this contract will come from the General Fund Reserves designated for Capital Projects.
