(B) The security to be sold on reverse repurchase agreement has been owned and fully paid for by the local agency for a minimum of 30 days prior to sale; the total of all reverse repurchase agreements on investments owned by the local agency not purchased or committed to purchase, prior to December 31, 1994, does not exceed 20 percent of the base value of the portfolio; and the agreement does not exceed a term of 92 days, unless the agreement includes a written codicil guaranteeing a minimum earning or spread for the entire period between the sale of a security using a reverse repurchase agreement and the final maturity date of the same security.

(4) After December 31, 1994, a reverse repurchase agreement may not be entered into with securities not sold on a reverse repurchase agreement and purchased, or committed to purchase, prior to that date, as a means of financing or paying for the security sold on a reverse repurchase agreement, but may only be entered into with securities owned and previously paid for, for a minimum of 30 days prior to the settlement of the reverse repurchase agreement, in order to supplement the yield on securities owned and previously paid for or to provide funds for the immediate payment of a local agency obligation. Funds obtained or funds within the pool of an equivalent amount to that obtained from selling a security to a counterparty by way of a reverse repurchase agreement, on securities originally purchased subsequent to December 31, 1994, shall not be used to purchase another security with a maturity longer than 92 days from the initial settlement date of the reverse repurchase agreement, unless the reverse repurchase agreement includes a written codicil guaranteeing a minimum earning or spread for the entire period between the sale of a security using a reverse repurchase agreement and the final maturity date of the same security. Reverse repurchase agreements specified in

subparagraph (B) of paragraph (3) may not be entered into unless the percentage restrictions specified in that subparagraph are met, including the total of any reverse repurchase agreements specified in subparagraph (A) of paragraph (3).

(5) Investments in reverse repurchase agreements or similar investments in which the local agency sells securities prior to purchase with a simultaneous agreement to repurchase the security, may only be made upon prior approval of the governing body of the local agency and shall only be made with primary dealers of the Federal Reserve Bank of New York.
